

## CIE welcomes new leaders in 2023

September 2023 saw the CIE adopt new Statutes and By-laws and began a new term for its leaders. Under the new Statutes, the former Board of Administration has split into a Governing Board with responsibility for strategic direction and a Technical Management Board with oversight of the technical work (reports and standards development). At the same time, the CIE also welcomed incoming Secretary General Dr. Diana Wernisch.

### Governing Board 2023-2027

The Governing Board is led by the President, Jennifer Veitch. Dr. Veitch is a Principal Research Officer at the National Research Council of Canada. Dr. Peter Blattner has moved to the role of Past-President. Mr. Oliver Thissen continues as Treasurer. There are three Vice-Presidents: VP Technical Mr. Anthony Bergen; VP Standards Mr. Peter Thorns, and VP Education Prof. Luoxi Hao. Members of the Governing Board are Prof. Laura Bellia, Mr. Pieter du Toit, Dr. Po-chieh Hung, Prof. Sermin Onaygil, Dr. Kees Teunissen, and Prof. Minchen Wei.

#### CIE Governing Board (September 2023- 2027)

The CIE Central Bureau – its head office, in Vienna, Austria – is led by the Secretary General. As of October 1, 2023, Dr. Diana Wernisch serves the CIE in this role.

Diana Wernisch  
 Secretary General

## Technical Management Board 2023-2027

The Technical Management Board is led by the VP Technical; the VP Standards is also a member, as are the six CIE Division Directors. New to their roles are Dr. Kaida Xiaio (Director, Division 1 – Vision and Colour); Dr. Dong-Hoon Lee (Director, Division 2 – Physical Measurement of Light and Radiation); Dr. Nozomu Yoshizawa (Director, Division 3 – Interior Environment and Lighting Design); Dr. Wei Zhang (Director, Division 6 – Photobiology and Photochemistry); and Dr. Noel Richard (Director, Division 8 – Image Display). Dr. Dionyz Gasparovsky continues in his role as Director, Division 4 – Transportation and Exterior Applications.

### Division Directors (September 2023 – 2027)

Kaida Xiaio  
(GB)  
Division 1
